DE LA SALLE

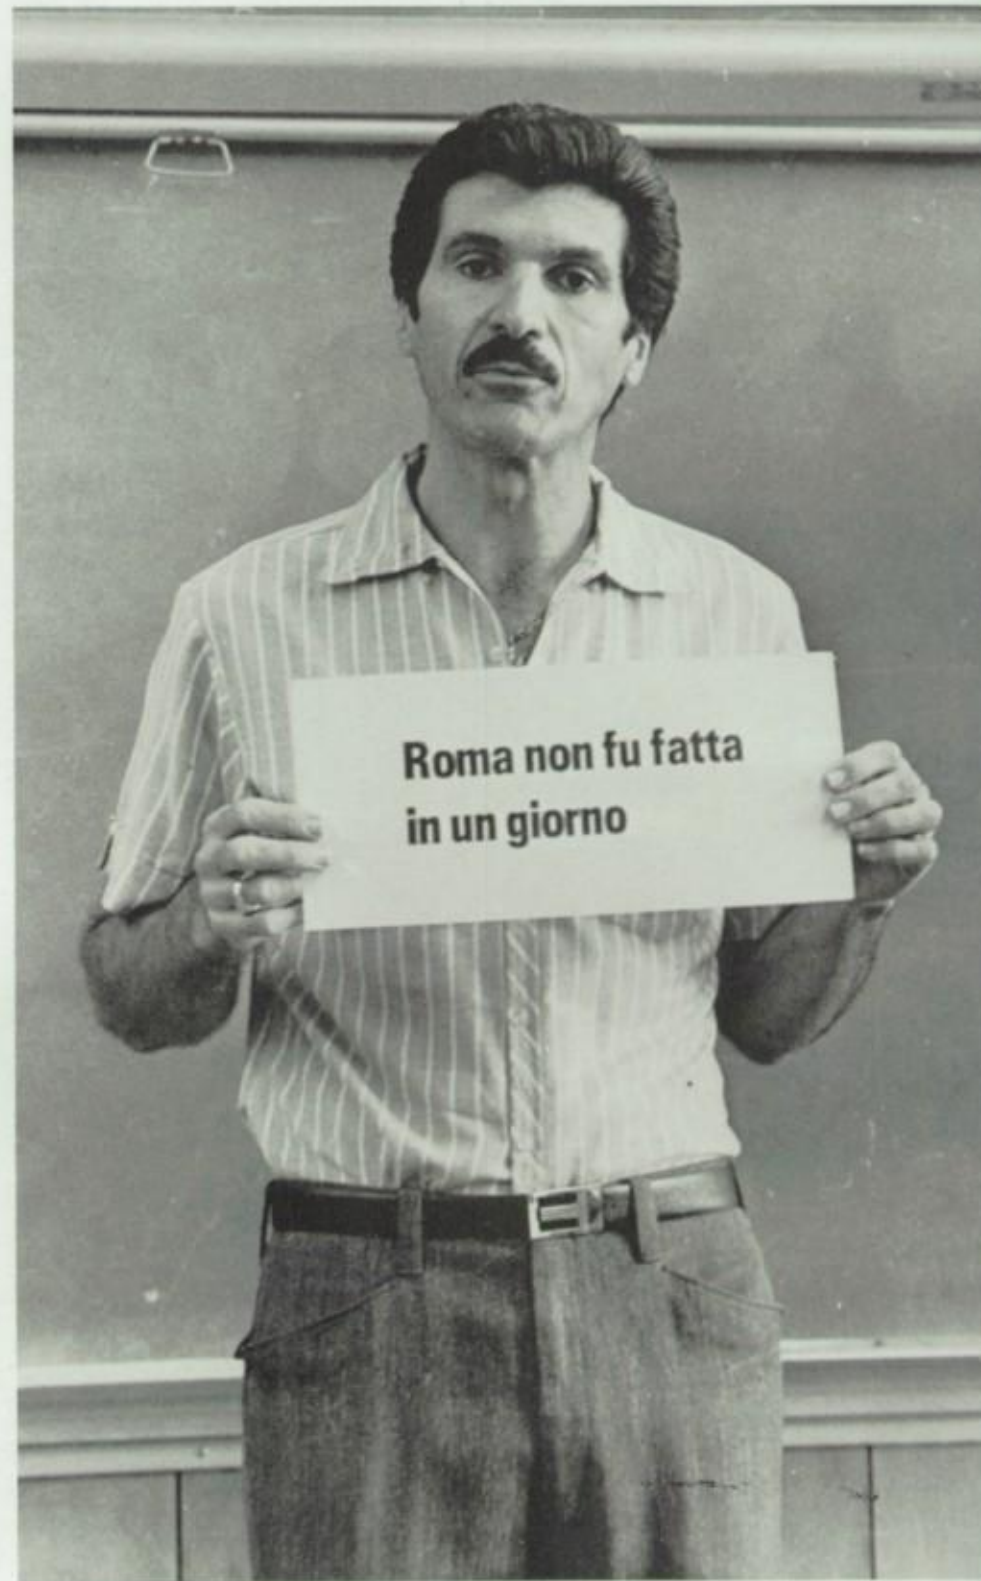

This year's Spartan is dedicated to De La Salle, our home away from home.

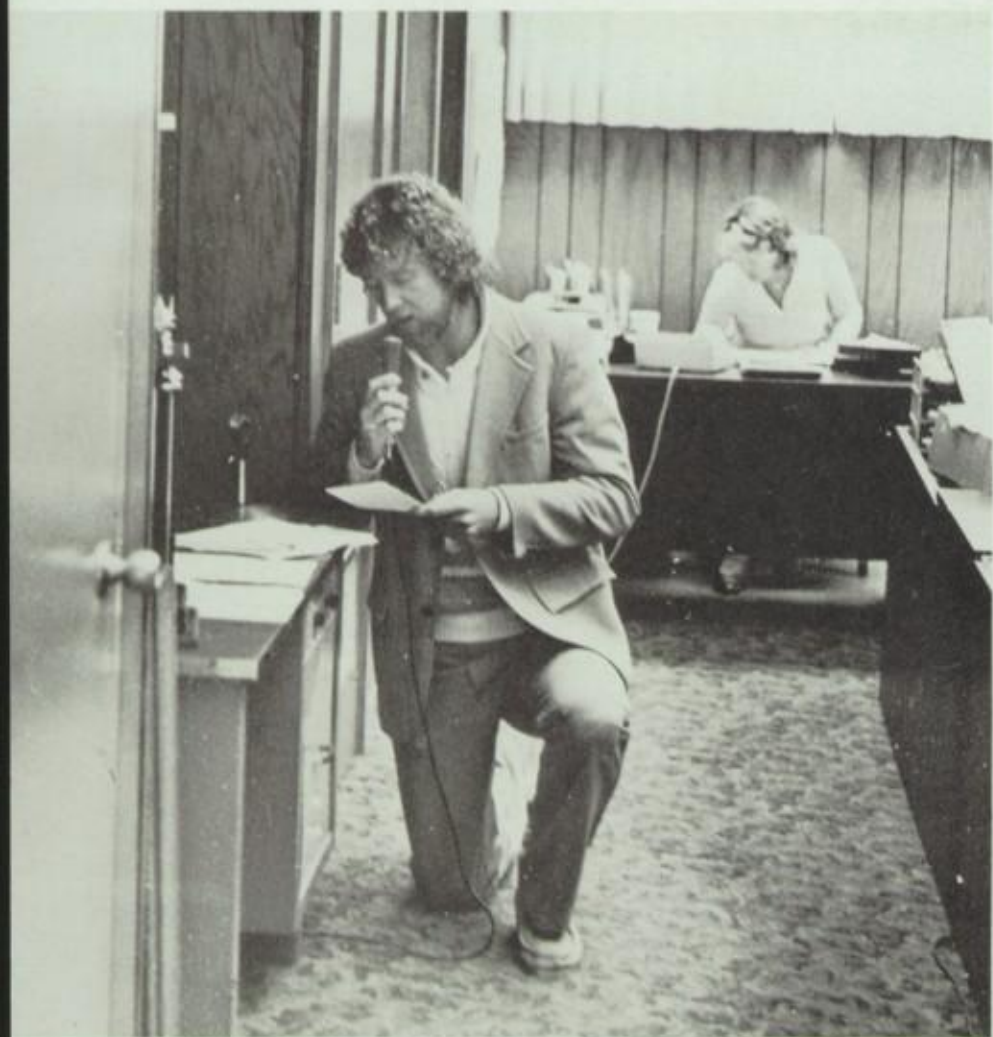

In 1966 De La Salle began at Most Precious Blood Grammar School with eight faculty/staff members, and one hundred and eleven students. Now the faculty and staff has grown to seventy-three, and the student body to seven hundred and seventy-six.

Over the past seventeen years many hundreds of young men have passed through these halls. All have been influenced and guided by the spirit that is De La Salle. We thank everyone who has made it so special.

THANKS TO THE CREW

Just as this book is dedicated to De La Salle High School, it also recognizes the driving force behind the school; The Faculty and Staff. We feel that nothing can be credited to the D.L.S. community without including this group. We do not learn alone. We learn with the faculty. They are our second parents, second brothers, second sisters. They are the crew that guides De La Salle. In all aspects of the community the faculty educates us, while allowing us to grow as human beings. We appreciate them. We thank them.

But do not expect perfection from me, for the day shall come when I let you down and you will be hurt. FRESHMAN DAZE

As in every other year, a rush of tiny (?) Freshmen invaded the De La Salle campus with the onset of the school year. The special Freshman days (Daze?) provided this year were Frosh Orientation and the annual Freshman Picnic. Pictured are scenes from both events. The picnic was the first opportunity for a get together with their counterparts from CHS. Getting off on the right foot, the class of 86 bounced into their first successful year.

JUNIOR RING CEREMONY

The Junior Ring ceremony, held at the Christian Brother Retreat House at St. Helena on October 17, 1982, gave a day of great enjoyment and relaxation to over 50 juniors. After engaging in team sports and activities, they attended a mass presided over by Father John Wake. Later, Br. Jerome spoke of the meaning and importance of the class ring. The day finished up with an outdoor barbecue. All in all, a fine day was had by those juniors who attended.

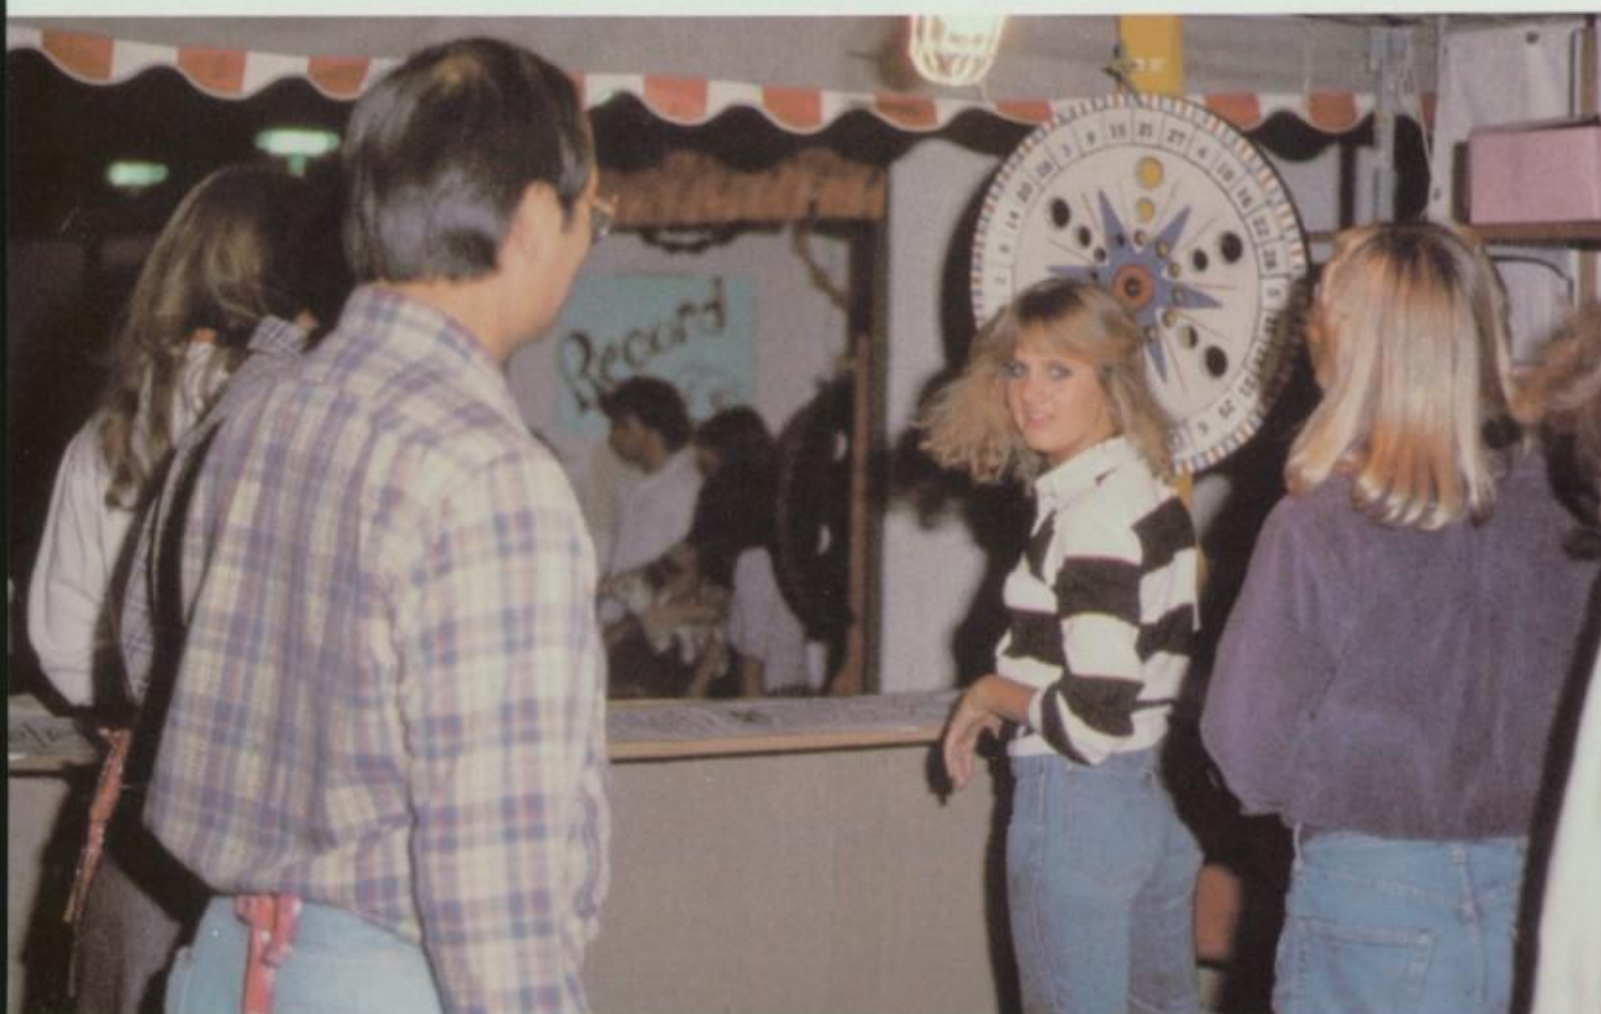

FALL FESTIVAL 1982

WORKING FOR DLS

This years Fall Festival was a greater success than ever with bright sunny days bringing in throngs of people eager for the enjoyment of rides and games. Student chairmen Steve Cronin, Tom Slate, and John MacIntyre did excellent jobs organizing booth chairmen and volunteers. All classes pitched in their selling expertise to make the raffle ticket sales a success.

This drama is about a grown man, Gene, who is a widower with an elderly mother, Margaret, whom he loves and an 80-year-old father, Tom, whom he never loved, hard as he tried. Gene's father had been mayor of a small town, self-made and highly respected. Beneath these trappings, however, he is a mean, unloving and selfish man who has driven his daughter, Alice, away because of her marriage to a Jew. He has alienated Gene through his possessiveness and his inability to love. Then suddenly Gene's mother dies and he is faced with the responsibility of having his father on his hands just at a time he wants to remarry. His sister comes to help him with the plans for their father, whom neither really loved.

SENIOR HALLOWEEN PARTY

Once again the senior class councils made their dedication felt with the success of the Senior Halloween Party. With three hours to spend, most everyone who attended it had a great time either talking to friends, eating, or dancing. Of those that attended the party, many later departed with the feeling that the evening was far more treat than trick.

Dancing to the tunes of "Brazen", and still excited about the afternoon's football victories, the DLS and CHS students were thrilled to hear the naming of the Homecoming royalty. As the conclusion of a very exciting week, the students chose, for the first time, a King, as well as a Queen. The week included theme days, lunchtime activities, and tons of enthusiasm. Through the work of two Student Councils, Homecoming 1982 was a great success.

DLS ROCKS

This year, that favorite De La Salle-Carondelet pastime, dances, numbered over 12. Among these dances were the KMEL Dance, the Senior Halloween Party, and four Christmas Dances, one for each class! Then there were such dances as the Soph Hop, the Junior Prom, and the ever popular Senior Ball. Happenings like these have really kept both student bodies on their feet and moving.

HEY SENIORS

WHATS UP?

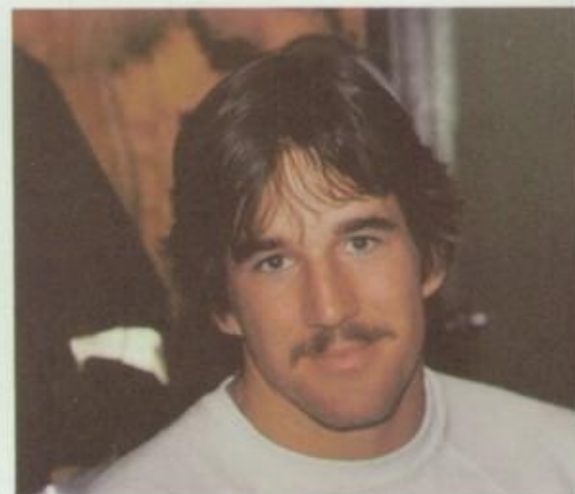

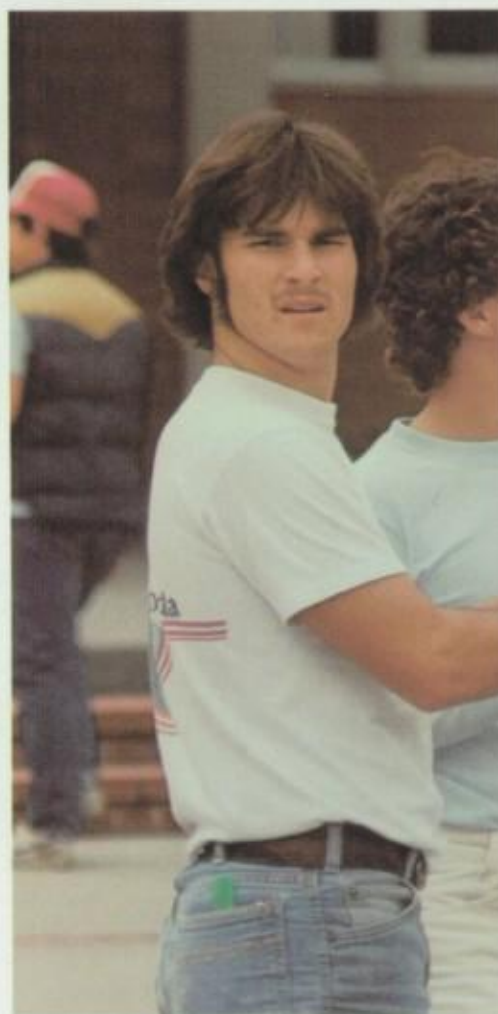

The Senior class council was off to an early start in the 1982-83 school year. They began by meeting several times over the summer to get a head start on planning the events of the coming year. The first project was a car wash. A combination of fun and hard work, the car wash was an excellent opportunity for them to work with and get acquainted with the Senior Council from Carondelet.

The Seniors were also responsible for the Frosh Orientation. Another freshmen class was made to feel at home and have some fun along the way. Other projects that the seniors carried out during the year were; the Camel Dance, Senior Halloween Party, Senior Christmas Party, Several Ski Trips, and of course, the Senior Ball.

The Class of 83 was always generous to worthy causes around campus, and played key roles in collecting items for the Thanksgiving food drive, the Toy drive and Basketball Marathon. The Class of 83 owes much of their very productive year to their hard working class council. (Pictured above right)

SENIOR DEDICATION

As the class of '83 enjoys it's final days at De La Salle we take a few moments to look at the things that we have done here at De La Salle. We also take notice of the people who have affected our lives; not only academically, but socially and emotionally as well.

One man who comes up quite often is Brother Charles Hilken, F.S.C., this years Senior Moderator.

Although Brother Charles didn't join the class of '83 until our Sophomore year, he quickly became a major part of our lives. He took a great interest in the DLS community by taking over as Junior Moderator for the class of '82. He held this position for the class of '83 and moved on with us as Senior Moderator.

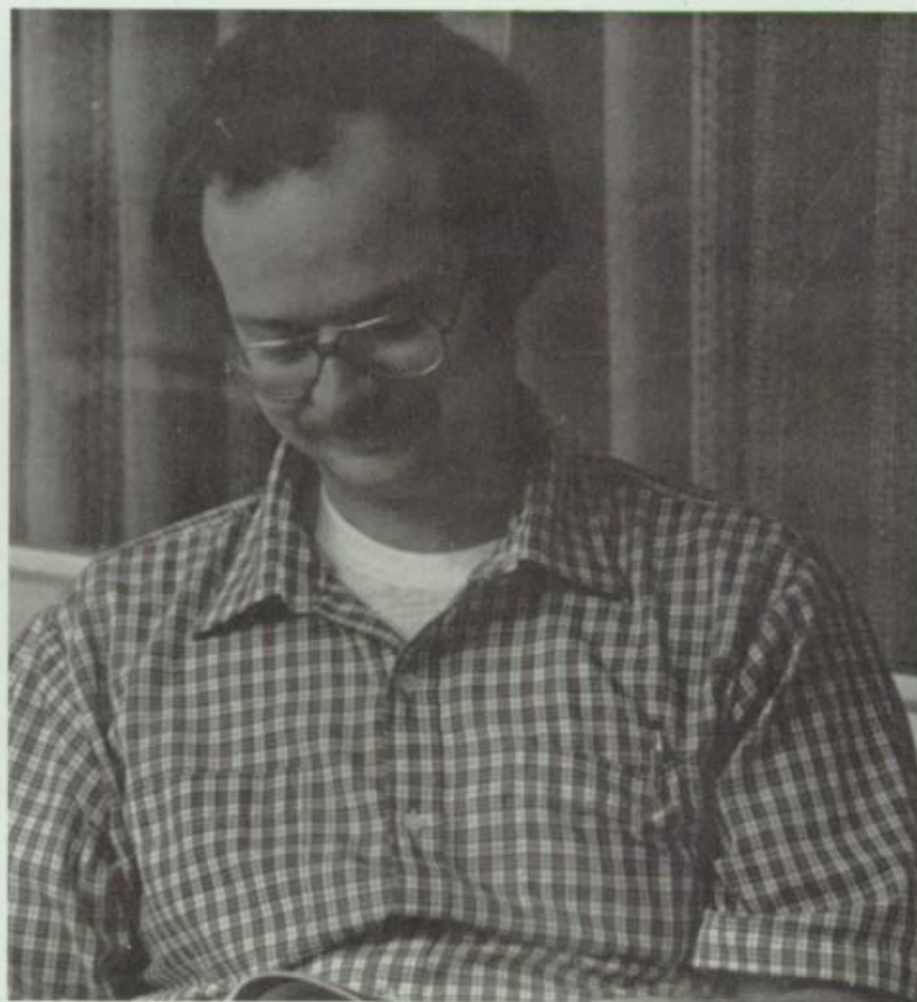

Brother Charles did more than just work with the Council, he became involved with the students. He was an avid supporter of athletics, Company, and Campus Ministry, as well as the smaller clubs like the Aquarium Club.

When Brother Charles wasn't at a game or a play or helping with the fish he was usually found talking with students around school.

Brother Charles always seemed to have time to catch a movie, help with problems or write a job recommendation in between correcting History papers or finishing a Council project. He was there to help us as individuals with individual needs.

As these final days became final hours, and we stop to look back at our high school years, most of us will probably see Brother Charles there somewhere. We send our thanks to him for his help and friendship, and we know that Brother Charles will always remain as a part of DLS for us.

The Class of '83

THE STUDENT COUNCIL WITH CLOUT

No, it wasn't one of those years when someone would ask, "What's the Student Council been up to?", and someone would reply, "Who?" Instead the answer would be "hey, I know those guys. They've got clout." Yes the Student Council did have clout in '82-'83. Student body President Philip Molina and Secretary-Treasurer Scott Chavez lead the council through such never before attempted events as the first joint Homecoming, the first joint welcoming rally, and the Great Spring Project. The Student Council also sponsored the annual Basketball Marathon, Christian Brother's Classic 10K Fun Run, and the annual Founder's Day Celebration. Our student government, under the guidance of rookie moderator Douglas Emeldi, worked very closely with the administration, to give the students their deserved voice in school affairs. It was a very good year, full of accomplishments and fun.

STRATOMATIC HITS HOMERUNS

This marks the 10th anniversary of the "birth" of Strat-O-Matic Baseball on the De La Salle campus. "Strat-O", as its members fondly call it, is a reenactment of the previous year's Major League Baseball season. When the 162 games of the season are completed by each team, a mock World Series is played by the number one team in each league. Every year, a Manager-Of-the-Year is chosen by the entire club. The Manager-Of-the-Year, in the opinion of the club, is the member who best managed their team during the regular season. Strat-O-Matic has over 35 active members who play at both lunch and block 8. "Strat-O" is one of the largest and certainly the oldest clubs on the D.L.S. campus.

1st row: Matt McGuire, Bill Simms, Tim Kelly, John O'Flaherty, Steve Huvane. 2nd row: Kathy Monaghan, Rob Pannier, Rob Fuller, Eugene Porter, Tim Heilig, Don Abitz, Bob Lanter. 3rd row: Darryl Fung, Henry Schrader, Tom Ginnoch, Wallace Wilkalus, Bill Ballsston, Kathy Sorenson. 4th row: Mr. Still, Ingo Hueninghaus, Jeff Schrader, Ken Pettinato, Norma Barnes, Vic Voia, Scott McKeen, Pat Currin, Eric Droll, Tom Valentich.

Russ Heilig looks in his cards to find a relief pitcher after his was injured in the 1st inning.

Norm Barnes is eager to share his Strat-O success with other club members.

Eric Droll anticipates the luck of the dice.

NEWSPAPER TELLS ALL

This year, the Spartan Voice was responsible for informing the De La Salle Student Body of news and upcoming events. The newspaper, headed by John Cumbelich and Moderated by Mr. Mullane, was responsible for writing up many interesting articles regarding our activities. This year, the name of the newspaper changed from the Sentinel to the Spartan Voice. With this change came editorials and student profiles. The Spartan Voice was a great asset to the De La Salle community.

NATIONAL HONOR SOCIETY

National Honor Society is a select group of young men with exceptional achievement in both academics and leadership. N.H.S. members are selected by the faculty members as students who have shown high amounts of effort in these fields. A member of N.H.S. must have an accumulative G.P.A. in the top fifteen percent of his graduating class. A member of N.H.S. must also be active in his community in the way of community service. A member of the National Honor Society is a person with true commitment in studies and social action.

CAMPUS MINISTRY

Campus Ministry is one of the most important clubs on campus. Without Campus Ministry, we would not have interesting and creative liturgies on holy days and special occasions. Not only do the members of Campus Ministry participate in the liturgies, they also plan them and help decorate the gym. Another of the many things Campus Ministry sponsors is the annual Christmas Toy Drive. They encourage students from both schools to donate new and used toys in good condition to needy children in the area who, without the generosity of these young men, would have no presents to open on Christmas morning. Campus Ministry will always be a needed club on our campus.

KEY CLUB

The D.L.S. Key Club is an organization devoted to community service. This service extends to both the school and less fortunate people in the surrounding community. In the past, the Key Club has visited retirement homes, sponsored car washes, and participated in fund raisers for both the Easter Seals program and the American Cancer Society. The members of the Key Club strongly believe that the needs of the community comes first.

D.L.S. SPIRIT RALLY CLUB

The 1982 Rally Club had a very large turn-out in the beginning of the year, and as the year progressed, the Rally Club increased to an even larger membership. Accepting both students from Carondelet as well as De La Salle, the Rally Club made the games not only exciting, but entertaining as well. Rally Club supports not only football, they turn out in numbers for many other sports. Rally Club really gets the crowd cheering and the fans fired up, they keep the game in motion!

SKI CLUB

Hitting the slopes is one of the D.L.S. Ski Club's main objectives. This year, Ski Club planned several trips to the "snow country" for both De La Salle and Carondelet students. Need some tips? Just ask Ski Club president Mike Sorrentino. The Ski Club was a highly accepted club on both campuses. This year, Ski Club planned a trip to Bear Valley, and other ski resorts in the Tahoe area. Needless to say, the members of Ski Club encounter adventure as well as fun.

KEEPING AN EYE ON YOU

Target; the information show, has provided De La Salle with many hours of faithful service. Their show, airs on many different stations at various times during the week. Members of Target have the opportunity to work behind the scenes with cameras, lighting, and sets, and also directly on the set, interviewing guest speakers who appear on the show weekly. Target members also help in the airing of video tapes and productions in the classroom, and provide a list of activities running daily in the classrooms. Target was an invaluable media source for De La Salle this year.

1st row: Brother Clarence, Carlos Lopez, Dave Vola, Dave Roche, Tom Gannon, Paul Van Hoomissen, Barry Wimbush, Robert Conlon, Judy Stanton, Dan Gartner. 2nd row: Rob Fuller, Tom Bagnasco, Tim Sullivan, Brendan O'Driscoll, Michael Gallegos, Tom Telfer.

MANY BUT ONE

Many But One, a new club on campus, has the goal of exposing the students from both De La Salle and Carondelet to other Ethnic cultures and traditions. One way the members of Many But One uncover the traditions of other nations is to organize activities for ethnic holidays such as Cinco de Mayo. Suprisingly enough, even though Many But One is a new club, it has attracted a sizeable number of interested students.

1st row: Emilio Ruiz, Michelle Lewis, Cathy Robledo, Loretta Donley, Yolanda Cabral, Geri Wuval. 2nd row: Melvina McCarthy, Christine Ross, Brenda Salvio, Corina Gonzales, Yvette Ybanez, Jessica Arroyo, Sabrina Diggs, Valerie Pender, Jeannette Pecks, Carolee Tran, Larina Mirafuente. 3rd row: Agnes Ruiz, Alexis Malik, Darryl Hornbeak, Alejandro Fernandez, Keith Domingo, Eric Zuniga, Stephanie Perry.

COMPUTERS AND MATH, BIT BY BIT

The Computer/Math Club is a club dedicated to providing an opportunity for students, both "beginner" and "advanced" to work with computers. The Computer/Math Club meets at block 8, and in 40 minutes writes and runs programs. They also manage to include a few games.

IN GOOD COMPANY

This year's Company put on three fine plays; "Time Out For Ginger", "Wonderful Town" and "I Never Sang For My Father." Company the largest and one of the most active clubs on campus allows students to get involved with not only the acting aspect of a play, but also the behind-the-scenes action as well. Members of Company are involved in making props, doing sets, applying make-up and acting. Patti A.E. Stauch, Company's moderator has directed many successful plays in her career.

The 1982 Song Girls played a key role in the spirit of De La Salle athletic events. At halftime, they entertained the crowds with choreographed dance routines to popular songs. Their hard practice paid off as they treated the spectators to well polished routines. The 1982 Varsity Song Girls added enthusiasm and life to the sports-oriented events such as games and rallies.

ENTHUSIASM AT D.L.S.

This year's Cheerleaders were responsible for the spirit that helped to bring their team to victory after victory. Along with the title "Cheerleader" comes responsibility. Their duties range from making posters, and promoting good sportsmanship to working at banquets and performing at rallies. These Cheerleaders have been working hard since they were chosen last spring. They continued their hard work at a cheerleading camp this past summer. At camp, they learned new cheers and other routines. Their devotion helped lead the football team to an undefeated record and the Oakland Coliseum. Pictured above: Lucia Lazio, Lorraine Pekari and Kim Hagge are definately not camera shy.

J.V. CHEERLEADERS: AN INSPIRATION

The 1982 J.V. Cheerleaders worked very hard this year to entertain the crowd as well as give their support to both the J.V. football team and the basketball team. Making posters to advertise the games was another of the many duties that were bestowed upon them along with the title "Cheerleader". This year's J.V. Cheerleaders got a chance to cheer along with the Varsity Cheerleaders and Song Girls at the N.C.S. 2A Championships held at the Oakland Coliseum. If this year's J.V. Cheerleaders go on to be next year's Varsity Cheerleaders, both the teams and the crowd are in for an exciting, spirit-filled season.

Cathy Cronin cheers for the team.

CHESS CLUB NO ROOK

The 1982 Chess Club meets at block 8 and drills each other on their chess and backgammon skills. The Chess Club has both students from Carondelet and De La Salle participating. Chess Club received many new members this year. For many years, Chess Club has been teaching and perfecting the age old games of Chess and Backgammon.

AN ADVENTURE

The 1983 Spartan Yearbook made room 210 their home-base this year. Anyone on the yearbook staff can tell you what a deadline is. It is that time when pressure is intense but also the most enjoyable time there is. Dedication is a word commonly thought of when working on yearbook; a word that is kept in mind at eleven o'clock on a Sunday night with Physiology homework still sitting in your backpack, untouched since Friday at block eight. Friends are instantly made in the yearbook room since these are the people you'll be working with late at night, on weekends, and at deadline time, a favor is never forgotten. Fun and hard work sums up being on the "Yearbook Staff," an experience you will remember forever.

When the tables are turned on Brian Harrington and Ray St. Germain, they end up getting their pictures taken.

PARENTS ASSOCIATION A HELPING HAND

Have you ever wondered who is behind all of those fund raisers? The parents association sponsors not only the Fall Festival but also the FETE auction and Western Night at the Races. The Parents Association also helps the faculty and administration wherever and whenever they can. The Parents Association is one of the true assets of the De La Salle community.

Association Co-President Art Hirsch explains the situation to the board.

FOREIGN LANGUAGE HONOR SOCIETY

The Foreign Language Honor Society is a club devoted to learning more about Foreign languages and cultures. A night out at a restaurant specializing in foreign food, and Foreign Language Night are a few of the many activities managed by this club. All the languages taught at De La Salle and Carondelet are represented in this club, but to be eligible to be a member, a student must have achieved a 3.667 in three semesters of their foreign language. The Foreign Language Honor Society has one of the largest number of enrolled students and is quite a popular group on both campuses.

Below: Craig Frial, Foreign Language Honor Society president, reviews this weeks agenda.

FELLOWSHIP OF CHRISTIAN ATHLETES

This year a new club was founded on the De La Salle campus. The Fellowship of Christian Athletes, or F.C.A. is an organization devoted to developing the tie between athletics and the Christian way of life. Although a newly organized club on campus, we expect big things from them in the years to come.

JUNIOR STATESMEN OF AMERICA

This year, a new club appeared on the De La Salle campus. Junior Statesmen of America attracted students from both C.H.S. and D.L.S. with promises of political involvement and debates. Among the many successful endeavours of J.S.A. were the Fall Overnight and Spring State. Junior State members also publish a weekly newsletter called the "No Name Newsletter." This year, Junior State offered politically inclined students the chance to debate popular topics, campaign for numerous offices and attend conventions and conferences.

CLASS OF '85

Reeling from their first arena registration in early September, the class of '85 realized their new status as Sophomores and raced out into the quad to purchase their class T-shirts. The class called time out on a mild October Sunday, filled two buses with Sophomores and headed for Sunset Beach, Santa Cruz for a romp in the surf and the sand. Then the class threw itself into the pleasures of the Fall Festival with Mr. Eidson's Homeroom topping the school in ticket sales. Festival cleanup was hardly over when class committees, under the leadership of president, Brian Pekari, started work on Homecoming events, decorating both the DLS and CHS campus, taking part in noontime events and rallies. The Christmas season brought on a most successful class holiday dance featuring the sound and illumination of Musicmasters, who played the class of 85's most requested tunes and awarded prizes to dance contest winners. Lucky Armstrong and Tina Layne. The rest of the year raced by in a blur as the Sophomores passed their driver's tests and saved to buy a special dress-up outfit for the March Soph-Hop in the Carondelet inner court. The Sophomore year was indeed a social year.

WHO GETS THEIR KICKS?

The Class at Eighty-six got off to a good start during their first year at De La Salle. Two hundred and ten members strong, they were the largest freshman class in the history of the school. Working alongside the veterans and alums through the Fall Festival and other activities, the class of '86 was easily assumed into the student body. Class President Bob Wilbur and Moderator Mr. Greg Pramuk worked hand-in-hand to get the class off on the right foot. We are all expecting very big results from the Class of '86.

EIGHTY-TWO, DREAM SEASON

The 1982 Spartan Football Team experienced a season that could only have been described as a "dream." The Varsity finished their perfect year with a 49-0 trouncing of the Arroyo Dons in the Oakland Coliseum, to be the first ever to bring an N.C.S. Championship to the C.A.L. and De La Salle. The year was also a first in that head coach Bob Ladouceur's charges won the first C.A.L. Championship in De La Salle history. In all, it was a season that will not soon be forgotten.

DEFENSE THE KEY

The Spartin J.V. Football team finished their season with a perfect 10 and 0 record. This is the third straight year that the J.V. Crown has stayed at De La Salle. This year's team was very high scoring but defense was the key to the season. The J.V.'s set new team records in the areas of most points scored- 286, most team victories- 10 and remarkably least points given up- 12. With such a strong showing this year, the future looks bright for De La Salle Football. Congratulations to all who participated.

SPARTABABES 6-1

The 1982 Freshman Football team had a fantastic season. Thanks to the great work of Head Coach Dave Gagliardi and his staff, the frosh finished their season with a 6-1 record, one of the best in the league. Even though the C.A.L. does not issue standings for freshman teams, it would be safe to say that our team would have taken the crown. Led by Quarterback and M.V.P. Rick Bianchina, the youngest Spartan football team had a year that could only be described as "FUN". These players are sure to help make next year's J.V. season a winning one.

6 **RUNNING INTO THE RECORD BOOK**

De La Salle topped the league again this year in cross country. Led by the varsity harriers, undefeated in all league and duel meets, the cross country teams swept the league. The varsity placed 5th in Northern California.

According to Coach Joe Stocking, the varsity was not led by any few runners, but relied on the whole of the team for its success. When pressed further, Coach Stocking admitted that his top three runners were Larry Moore, Rico Balatti, and John Fitzsimmons. Frank Knafelc and Phil Williamson were the "best of the rest." Coach Stocking was very pleased with this year's overall varsity cross country team.

1. Victory is sweet. 2. Larry Moore and Rico Balatti take the last lap. 3. Frank Knafelc leads the pack. 4. Our fearless leader. 5. Clint McClellan bares all. 6. Phil Molina and Phil Williamson cross the finish line with expressions of joy.

J.V. X-COUNTRY UNDEFEATED OVERALL

IMUA

The Junior Varsity harriers were in top form this year, going undefeated in every meet.

The season was topped by their win at Mt. Sac and first place in the league.

Coach Stocking was quick to point out that Andy Senasac, Jamie Fowler, and Paul Vomund led the J.V. Cross Country team to the best season they could possibly have had. Having three cross country teams with undefeated seasons, caused Coach Stocking to be delighted with next year's outlook.

Rounding out De La Salle's excellent cross country season was the Frosh-Soph team. The youngest harriers swept the league on their way to an undefeated season. The Frosh-Soph team won the C.A.L. with the help of Sean Barrett and Sean Fottrell.

Coach Stocking said, "The team worked hard and was very dedicated." This was one of the reasons why they were undefeated.

VARSITY BASKETBALL BUILDING FOR THE FUTURE

LOOKING UP

This year's Spartan Varsity Basketball team had only two returning players and was expected to finish near the bottom of the league. Instead, the team matured and finished with a 15-11 record, going 7-7 in league. It was the first time in the schools history that the varsity had a winning record two years in a row. The team had some exciting moments during the year, and missed going to the league playoffs by only three points. With nine returning players and some fine J.V. players on the way, the C.A.L. had better look out for the Spartans!!!

Back row (l-r): Coach Coccimiglio, Jeff Gray, Bill Ross, Paul Vranesh, John Francis, Pete Knoedler, Todd Behrend, Donald Cashman, Coach Olwell. Front Row: Rob Falco, Scooter Barry, Mark Ricobonna, Kurt Jaeger, Mike Deitsch, Vincent Palm.

FUTURE LOOKS BRIGHT

J.V. HOOPSTER'S

This year's Junior Varsity Basketball team, under the guidance of coach Gary Stepan, was the most successful in De La Salle history. With an overall 19-7 record, including a second place finish in the Livermore J.V. Tournament, the Spartans finished as C.A.L. runners-up at 10-4. Outstanding performances were turned in by sophomores Matt Laiolo, Rob Hinckley, Dan Falco and Steve Trottier. A pleasant surprise for the program came in the form of three freshmen Mike VonToure, Jason Ricks and Todd Strojny; all of whom had strong seasons. The success of this year's J.V. team presents what may well be the future of basketball at De La Salle.

FRESHMAN BASKETBALL A BUILDING YEAR

HOOPSTERS

The 1983 Freshman Basketball team had a building year. The young Spartans showed a willingness to work hard, think fast, and play tough. Rick Freeman and Pete De Paschalis led the Spartababes through the C.A.L. season. Coach Al Hanson had nothing but praise for his young Hoopsters.

SPARTAN COMMANDERS

GRAPPLE!

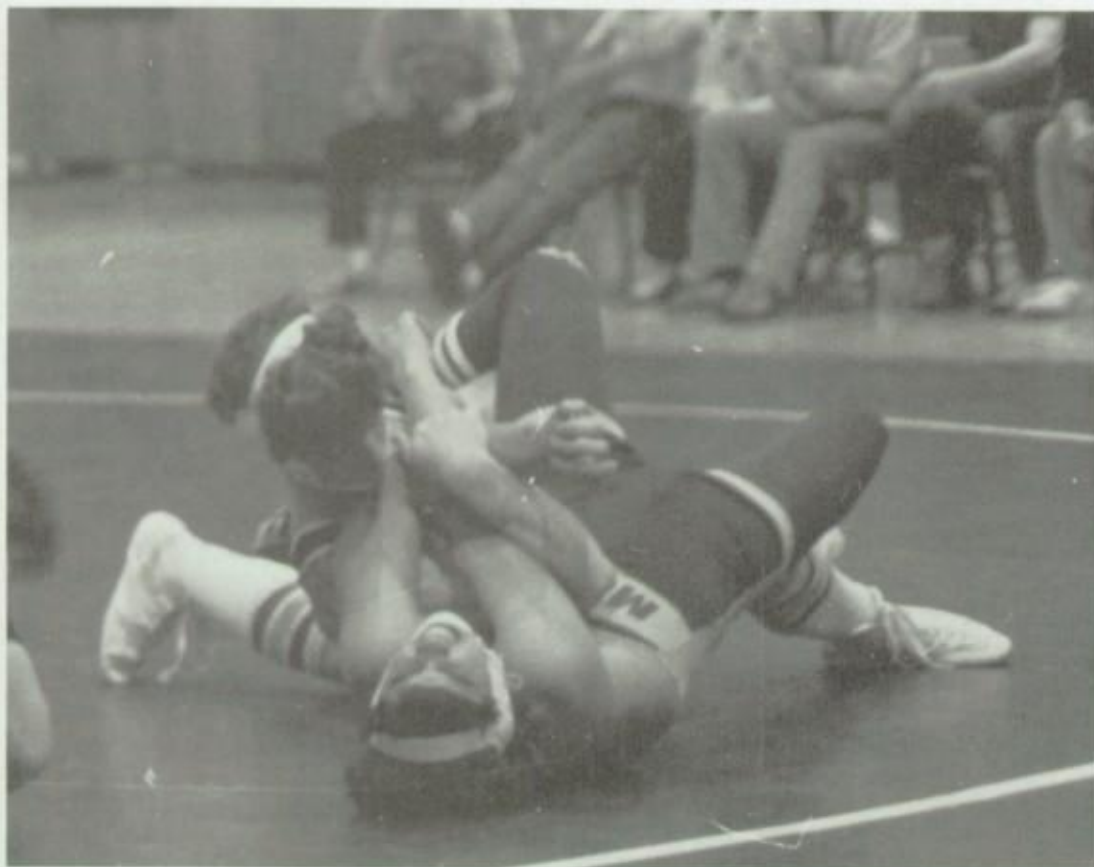

The De La Salle Wrestling team had an exciting and thrilling 82-83 season. Under the guidance of Coaches Pat Martucci and Dave West, we experienced success in two tournaments this year. We brought home championship trophies from the Fairfield Invitational and the Crusader Classic. In league, the Spartans went 4-2, losing only to Moreau.

With eight graduating seniors on our Varsity team, it was a vintage season. The four years of experience left their mark on the De La Salle Wrestling program.

The Junior Varsity gained experience as the season progressed. The grooming of replacements for this year's seniors is a tall order, but the potential is there in J.V. uniform. Efrain Sevilla and John Perez are just two of the stars of the future.

VARSITY SOCCER

FOOTBALL?

De La Salle Varsity Soccer had an outstanding 1982-83 year. With a league record of 10-1-1, the team dominated the season and was awarded an at large berth in the North Coast Section Playoffs.

The Spartan Offensive unit was led in goals by all C.A.L. player Derek Girman with 18.

The Spartans featured stingy defense. All N.C.S. goalie Joe Baumgartner and his crew allowed only 5 goals all season.

Congratulations on a very fine season!

JUNIOR VARSITY SOCCER

A RED WHAT?

This year's Junior Varsity Soccer team finished on top of the C.A.L. with a 7-0-1 record. A brisk, lightening like offense and hard tackling defense helped the J.V.'s to their championship.

Conditioning was a key factor also. The team was in the best shape of any in the league. Coach Eric (E.T.) Tate had every right to be proud of his young team.

Front row: (l-r) Greg Isola, Tom Dorame, Kevin McKernie, Paul Ompad, Pat Uriz, Tom Ginocchio. 2nd row: Kevin Taglang, Derek Steinmetz, Jeff Shepard, Dan Wormald, John Dalton, Jeff McClaughry, Tim Millet. SPARTAN VARSITY

BASEBALL LIVES

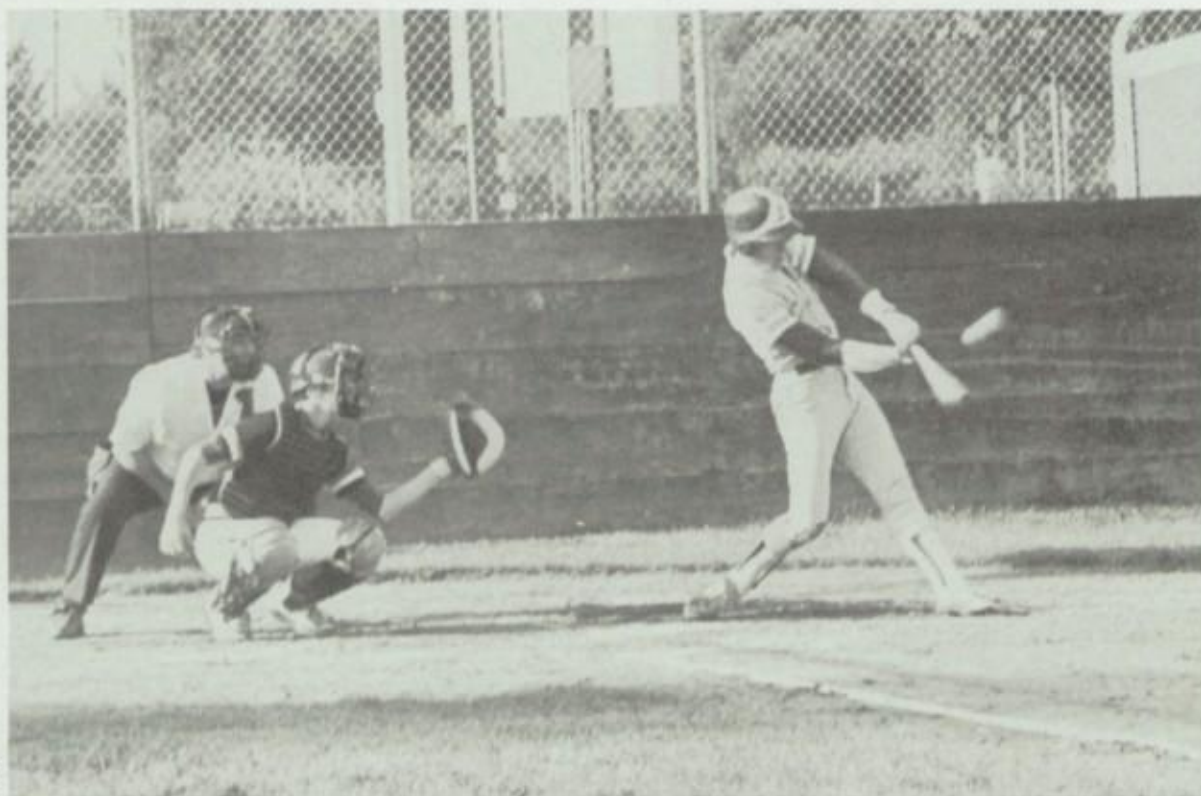

The Varsity Baseball team "swung" into the season with big bats. The 1983 Horsehidors featured a virtual sluggers row with Eric Johnson, Jim Donnelly, Kevin Trent, Paul Enea and Pat Oswald all striking fear into the hearts of opposing pitchers. An experienced hitting and fielding team, the Spartans needed only to get clutch performances from their pitching staff, to capture the C.A.L. crown for this rainy season.

J.V. BASEBALL: TAKES

HIT THAT BALL!

The 1983 J.V. Baseball team was out to destroy the C.A.L. this year. The team was laden with talent and was unbeaten when this text went to press. Behind heavy bats, fast gloves, and strong arms these Spartans charged into the rain shortened season in search of the C.A.L. crown. Coaches Bill Ross and Mark McKinnon were all smiles and bubbles when considering the season's potential.

FROSH BASEBALL SHOWS PROMISE

Freshman Baseball '83" at De La Salle promised as much excitement and success as previous frosh teams. The 1983 team was bolstered by some fine young pitchers and a strong defense. The bats were booming this spring as this year's team set out to capture the title at the Frosh tournament in May. The future of baseball at De La Salle is "in the bag".

VARSITY TRACK

RUN, JUMP, THROW

This year's Spartan Track Team proved to be one of the most successful to date. With the return of the distance runners that captured the North Coast Cross-Country crown two years in a row, they were unbeatable in the mile and two-mile. The distance runners included Rico Balatti, Larry Moore, Sean Molina and Jamie Fowler.

The 800 meter run was dominated by Clint McClellan and Damien Stocking. By the time North Coast had rolled around, this duo was unstoppable.

This year even the rarely heard from sprinters were on a rampage. Bill Ryan, Kelly Ouimet, Dave Neely and Ben Han led the way for these speedsters.

Mike Fottrell proved to be the vital element in this year's team. As the school record holder in the Shot Put, Mike also performed very well in the High Jump, Hurdles, Discus and Mile relay.

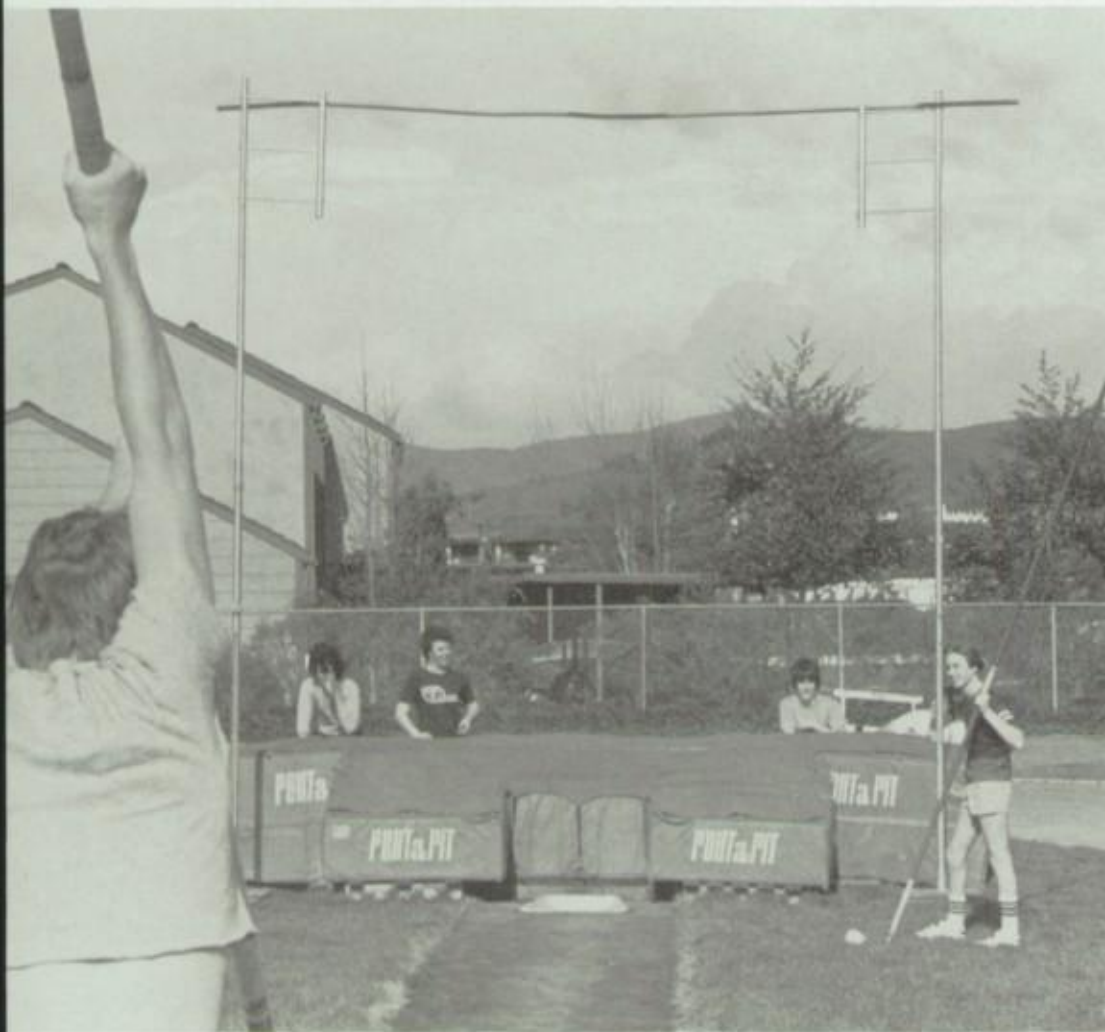

In all of the events the Spartans were very well represented. This year's Spartan Harriers enjoyed much success. Congratulations to all of them.

SHOE-IN FOR SUCCESS

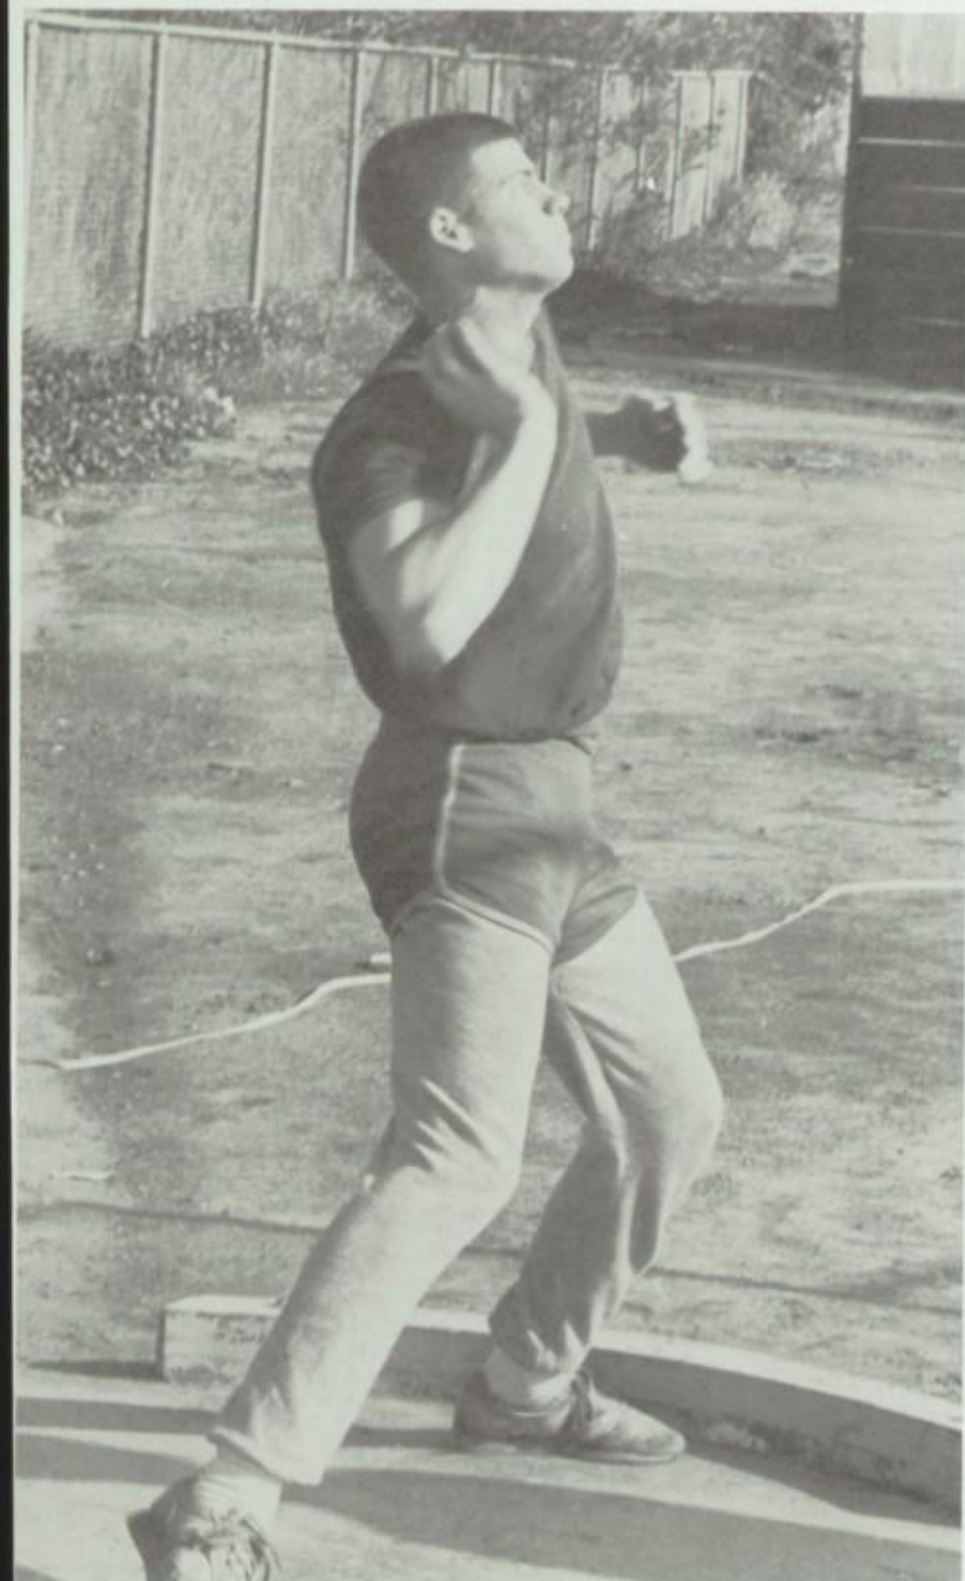

With over seventy-five members, the 1983 Junior Varsity Track and Field team overwhelmed most of their opponents this season. Coach Joe Stocking is all smiles when asked about the future of Track and Field at De La Salle.

STRAIGHT DOWN THE MIDDLE

The Spartan Golf team opened the twenty-two match 83 season with a 3-2 record, which included victories over Monte Viste and Justin Siena High Schools. Other worthy opponent's in this year's season include San Ramon and last year's C.A.L. champion St. Patrick's.

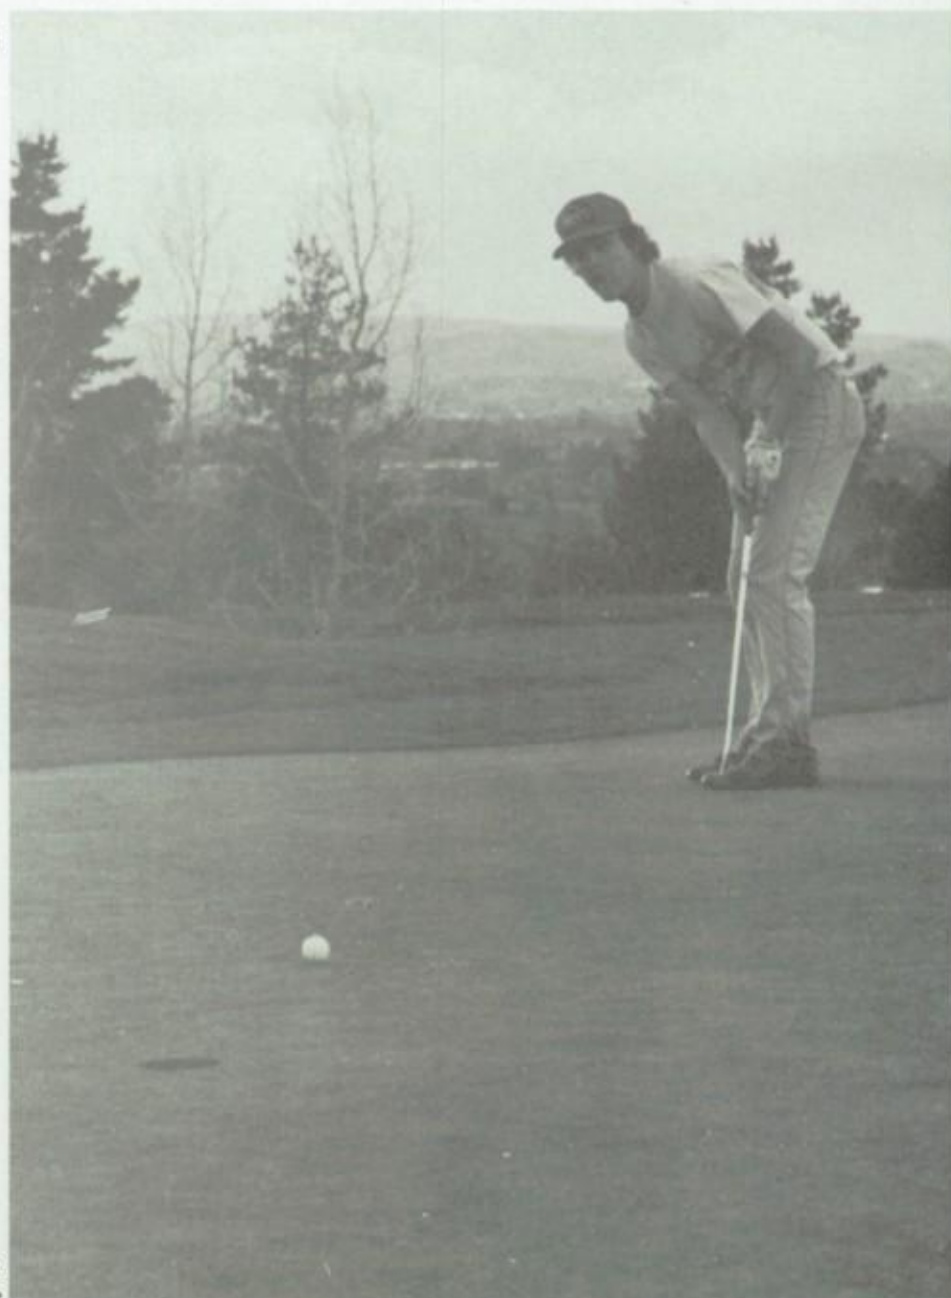

The Spartans were led by Seniors Darrell DeGiovanni, Neil Higgins and transfer student Carl Tostengard. Senior Ken Hare, Junior Norm Barnes and Sophomores Jerry Slavonia and Gerry Pugh provided a backbone for the team to rely on in times of trouble. Coach Greg Pramuk, in his second year, had high regard for his Spartan Linksters.

SWIMMING AND DIVING OFF WITH A SPLASH

ATHLETIC TRAINERS STOP THE "OWIES"

De La Salle's athletic trainers provide a priceless service to the Athletic Department. Their prompt, expert attention to all sports injuries is a big part of what keeps the Spartans on top in everything. There is no way to thank them enough.

"Perhaps the most valuable result of all education is the ability to make yourself do the thing you have to do, when it ought to be done, whether you like it or not, it is the first lesson that ought to be learned, and however early a man's training begins, it is probably the last lesson he learns thoroughly."

-Thomas Henry Huxley

JOHN T. RANKIN

I am so proud to have you as my son, there is no one quite like you: you bring so much happiness into everyone's life, and I know whatever you choose to do in this lifetime of yours, you will be very successful, as you are very determined to do a good job in whatever you do: but most of all you are sensitive to other people's feelings, and their needs and you try to help whenever possible.

When people meet you, they don't forget you, because of your loveable, happy, caring, and zany personality.

You have given us so much joy, laughter, and so many happy memories of you growing up, that we shall cherish for always. I feel very blessed to have a son as special as you, my love and prayers will be with you in whatever path you choose in life. Our faith in you has never wavered, and never will: you have always made us very, very proud, as you are the son of the century.

Love Mom
